

OUR FINANCIAL POLICY

Payment for dental procedures is due on the day of treatment. Any payment arrangements must be made prior to service.

FOR PATIENTS WITH DENTAL BENEFITS

This office submits insurance claims as a courtesy. However, the final responsibility for payment lies with the account holder.

If you have insurance coverage, ALL co-pays – the amount that is estimated not covered by insurance -- are due the day of service.

All balances after insurance must be paid in full upon receipt of our statement.

This office will wait no longer than 60 days from date of service for insurance payment. Claims unprocessed will be resubmitted after 30 days. If no insurance payment is received within 60 days of treatment, the balance in full is due upon receipt of our statement.

THIS OFFICE DOES NOT CARRY BALANCES

Accounts not paid in full within 30 days of insurance payment, will be assessed 1.5% of the balance.

Accounts 30 days past due will be assessed 1.5% of the balance, plus a \$10 late fee.
